Welcome to the Google for Startups Cloud Program!

**We're pleased to offer your startup \$25,000 Google Cloud credits** over the next 2 years.

Credits can be used for Firebase and [Google Cloud Platform Services](#) such as BigQuery and Cloud Run as well as [Select Google Cloud Offerings](#). You can view your credits and track usage in your Google Cloud [console](#).

### Google Cloud Training and Tech Support

Your company is also eligible for **\$500 USD Google Cloud Skills Boost credits** to learn how to build on Google Cloud through online courses and hands-on labs. [Apply here](#).

Here are resources to help you get started:

- [Cloud Setup Checklist](#)
- [Google Cloud Startup Community](#)
- [Google Cloud Platform Documentation](#)
- [Google Cloud Technical Guides for Startups](#)

### Business Support and Offers

You also get **dedicated support from a Startup Success Manager** to help you with business resources and navigate all the benefits Google has to offer. As a Google for Startups Cloud Program member, you are also eligible for:

**Google Workspace discounts\***. One year of up to 10 free Business Starter seats for new domains. [Apply here](#).

**Google Maps Platform credits\***. \$600 monthly credits for 12 consecutive months, on top of the \$200 monthly credits you receive as a Google Maps Platform customer. That's \$800, or 114,000 map loads, per month for your startup's geospatial intelligence needs.

One last thing! [Sign up here](#) to get reminders about your credit consumption and to receive important updates from the Google for Startups Cloud Program Team. If you have any questions, please don't hesitate to reach out by replying to this email.

Sincerely,

The Google for Startups Cloud Program Team
